***Making a start***

# Personalisation/Self directed support

thinking about care and support services in a new way

individuals are at the centre of the process

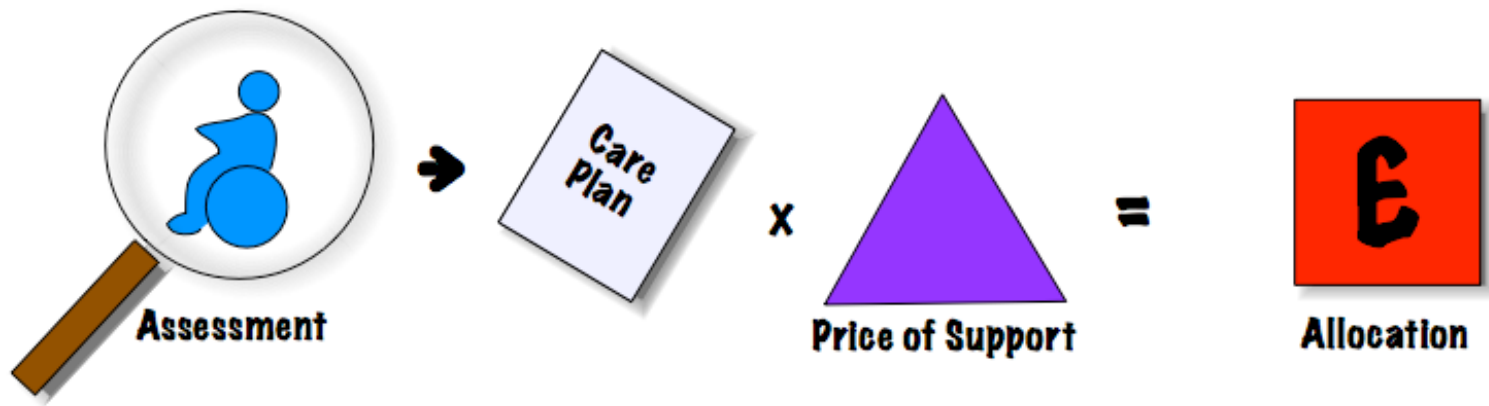

making choices about support

# Seven steps to personalisation

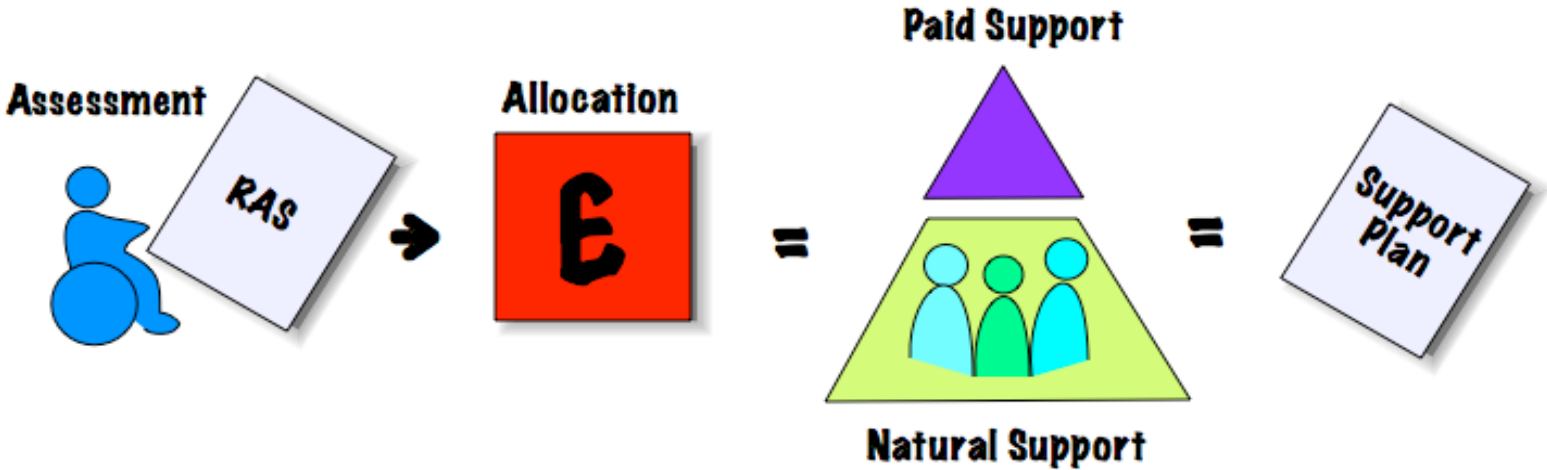

1. Money
2. Planning
3. Agreeing plan
4. Organising the money
5. Organising the support
6. Living
7. Seeing how it worked

# How do they work?

From this:

# To this:

# Where now?

Trial has just started

In line with regional and national policy

Best practice/learning from pilots

# Thank you for listening

# Over to you....

- Now lets ask the presenters some questions

Introducing Jean Haigh....

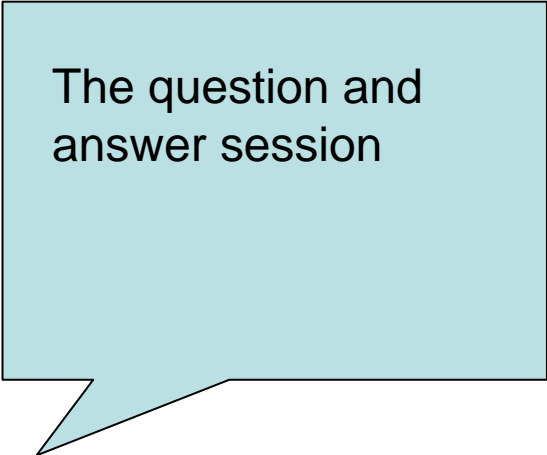

- On your tables please agree 2 questions to ask the panel
- Write them both on the flip chart paper

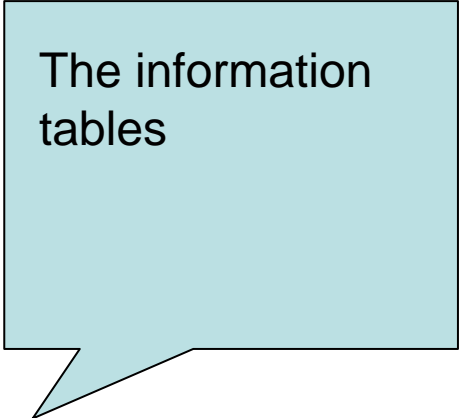

# What did you think?

The presentations

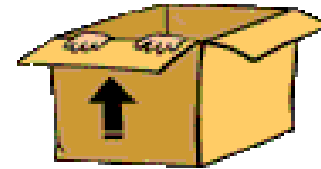

The question and answer session

The information tables

# Any questions left?

Use the question box

Many thanks for coming  
enjoy lunch
